

28 November

Dear Mick - Staff,

Jenny & I and our friends all agreed I should get pen to paper and say a big thankyou to everyone who looked after us and gave us such a memorable evening. The service was really first class; and each of the different courses chosen from the excellent menu; were each well presented and packed with plenty of interesting flavours.

So thankyou again for a very pleasant evening.

We wish you all a smooth and happy Christmas.

Yours sincerely,
Vernon - Jenny Cumpsty

P.S.
Can you have the wine - talking on another evening?
